

Dear Representative-

Congratulations, as we cordially invite you to the Official Advisory Board Committee of The United Trade Council and welcome you in patriating new representation throughout the world in emerging sovereignties. We represent the underserved foreign institutions and we take a novel approach to assisting in the future development and sustainability of these economies. We believe that with your help we can build unprecedented equality and end generational poverty once and for all. With no further ado, we give you our 2020 United Trade Council Advisory Board.

With Respect

The annual board meetings will be tentative upon further notice with written documentation or other communication. Individual opportunity placement meetings will be conducted regularly to best align with advisors' existing missions. We approach conducting board operations in a non-traditional format as we respect our expert advisors' time and believe in meaningful collaboration that constitutes for holistic growth. In other words, your goals are our goals, and our mission is to help advisors broaden capacity for their projects.

Next Steps:

Upon choosing to participate in our board we request a brief commitment statement or letter stating you are in agreement with UTC missions, brief bio, and Pathway Alignment Statement (note* if this is unclear UTC representative will assist with a pathway alignment consultation). These items will help us best maximize your time as we understand the time restraints of our advisors.

Please attach a commitment letter or provide a brief statement of commitment expressing you align with UTC mission and goals.

Please Attach a brief Bio or provide a summary of background.

Please attach or provide a brief scope of direction | Pathway Alignment Statement. (note this should reflect a shared plan or purpose of engagement that will act as a future basis of planned outcomes.)
