TO ALL 193 MEMBER STATES OF THE UNITED NATIONS

A Call for Justice, Equality, and the End of the Slaughter of Life

To the esteemed representatives of every nation:

I am Priestess SeifualaAdnorhijahKaya, (name interpretation) Words of Truth, one who is sent of love, strong root healing of the nations. I am Priestess of Maat Temple Sanctuary of Life. I wear many hats. I am also an entrepreneur, author, artist, activist, speaker, ambassador, spiritual counsellor, philanthropist, strategist, and advocate, just to name a few. My passionate company is the United Trade Council, which was the Reginald Gibson Memorial Foundation for Education, to assist the educationally and economically disadvantaged to a better quality of life, rebranded as the United Trade Council. This is in due honor and respect, and love over all, for my Jesus Christ-like energy of a husband that shared this journey with me. His first love was good, to do good, and love, and then children. I will speak more on him later — my esteemed husband, Reginald Gibson. I am the Ambassador of the United Trade Council, Ambassador of Love, Justice and Peace. I am a channeler for Source. That is why I am sent of love — to bring the message and the knowledge and the wisdom I have obtained through Source, to lead humanity to happiness and healthiness on this planet.

We can no longer allow this evil of slaughtering life all over the world, contaminating and corrupting the planet. This has to stop now.

His Imperial Majesty Haile Selassie I spoke these words before the United Nations General Assembly on October 4, 1963, and they stand as true this day as the day they were spoken:

*That until the philosophy which holds one race superior and another inferior is finally and permanently discredited and abandoned;
That until there are no longer first-class and second class citizens of any nation;
That until the color of a man's skin is of no more significance than the color of his eyes;
That until the basic human rights are equally guaranteed to all without regard to race;
That until that day, the dream of lasting peace and world citizenship and the rule of international morality will remain but a fleeting illusion, to be pursued but never attained.*

— H.I.M. Haile Selassie I, Address to the United Nations General Assembly, October 4, 1963

And our own Declaration of Independence declares:

...when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their DUTY, to throw off such Government, and to provide new Guards for their future security.

— The Declaration of Independence of the United States of America

...whenever any Form of Government becomes destructive of these ends, it is the RIGHT of the People to alter or to ABOLISH it, and to INSTITUTE new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

— The Declaration of Independence of the United States of America

This has been going on from the beginning of the signing of mankind until this day. The scripture says that God repented He had made man. What I have come to understand about that scripture is this: mankind, out of his ego, took the good — dropped the O — and took hold of the power of an Idol/idle God of fear, jealousy, revenge and destruction, rather than the power of good, and based from the ego mankind not humankind, what this God, he created would represent. And the first thing was fear. You hear everybody say, “You got to fear God.”

You are not supposed to have fear for good. Good has no fear. Only a god that was created as fear to intimidate and enslave all humankind by threat and religions, making one subordinate to another and the inalienable life energy that each and every humane is endowed with.

That is what you have within you: the power of the energy of life. You have the good energy, the love energy, vibration and frequency — the formula you were created to be. Until the one with the ego, the one with the jealousy and the envy and the hatred for good and for love, deceived you — dropped the O, removed it — and said there was a God that you needed to fear, and that He was a jealous God. These are all lies to steer you away from all the power of the universe that is within your being. To choose: to do good, or to follow your ego and do evil — which is your self-destruction. It all comes from vanity, your self-destruction. These are words I say not lightly, but as the channel of the Source of the universe.

To verify the things I am saying to you and about to say to you: the first book that I wrote tells the life story, this journey that I started as a child, seeking the reason for the suffering and the pain and the horror that humanity was experiencing. And through that journey of sacrifice and love, I was joined by one who also had the energy spirit of Christ in him, who became my husband, and we continued the journey. This is what is in my book, *RELEASED: From the Human Identity Crisis and Spiritual Dis-ease*.

And my next book came after: my husband and I, traveling to a “believers convention,” were hit from behind by an 18-wheeler truck, and we both died — and met up on the other side. For lack of a better explanation, I would not call it heaven; however, it is the place where the spirit energy returns to when it is released from the body. And upon getting there, we reaffirmed a vow that we had made to find the answers. And after we affirmed that, I was present before Source and heard a voice that said, “Jesus, they are calling for you to come back.” Then another voice: “I’m not going back there. They killed me last time. Send HER instead.” The focus now is on me. They asked me what I would do. I affirmed again that I had made a vow from childhood, that I would find the answers to the inhumanity and horror that the human beings were enduring on the earth. I knew that it wasn’t meant to be. So now that I have received the knowledge, the answers, the truth, I will return to the earth and give it to the humans of the world. That is why this book, *Jesus Isn’t Coming Back: They Sent Me Instead*, has this title. Fact not fiction. Of course there is more, much more to share, with those with

ears to hear and eyes to see. For all the people of earth calling for Jesus to return, I am here in that place to do that which you are calling to be fulfilled. I am sent to fulfill it.

The third book is upcoming as well: *The Epitome of Evil: Confrontation*. This book speaks of the evil that has been created, that has been assembled, that has been the abomination of the earth. And this is revealed so that the spell — the word spell, the lie, the deceiving spells that have been placed over the eyes and the minds and the hearts of the human beings — will be shed, and you will see the truth, and the light, and the way.

There is no God except the ego god of mankind that has given any one the right to kill, steal, and destroy with impunity. (ref) Genesis 5-6. All of these are against the universal law of life. Man-made laws are made for mankind, which is no kind — no kind of man. A man with no kindness, no humanity, no humility, no humaneness has usurped the inalienable rights of all humane beings the chosen. Thus, we have established the United Trade Council, which shall replace the United Nations if necessary. Those of the United Nations that refuse and resist — and some will, the good, justice, equality, and humaneness — in this new government, will have to face the charges of the crimes, the absolute crimes against humanity. It has to happen. It will happen. It shall happen, as we create a new government that represents all people, all cultures (except for those whose culture is to steal, kill, and destroy) all humane beings.

In this call to action, I would appreciate you taking a look at what I have built, the websites, and why they exist — first and foremost, Equal Period Globally is our campaign. For even in our Constitution, when it says all men are created equal, and people say, “Oh, men means women and men” — no, no, no. This is a lie. All humans are created equally. They are created equal. What has been created unequal is the conditions that they are forced into living in, existing in. This is why we have Equal Period Globally, this campaign; this is why we have the Equalitarian Humane Race Party. If you can feel and see that we have like minds in what we hope — what we intend — to obtain for this life, for the future generations: with no more wars. There is no justification for wars at all, at all, at all. And you know it, and I know it. This is a game, and it is a slaughter. There is no justification. That is why we have been given the ability of speech, of verbal communication — so that we can be just and fair with one another. So please look at it. Like-minded, those of you — join us in this campaign to make this planet Equal. Period. Globally.

There is more that I desire to share with you. I am grateful for the time and consideration you take by reading my words. I will be anticipating and excited to receive your responses, now that I have declared and identified myself as the one sent instead of the one that you are calling on — although I am the same one, just in a different body this time, in a different physical appearance this time. What would you have expected to see, in reality, when you called on Jesus to come back? I may not look like what you anticipated. However, I am the one that is sent for your liberation, for your exoneration, for your emancipation — of spirit, mind, and body. I am the representative of the love power source of the universe. Justice. Equality. Truth. Love. Peace. & Blissings.
